***Sylvan 2 point guarantee – qualifications**

Attendance at each class is mandatory, no makeup classes are available for group, completion of homework, completion of practice tests, and a documented baseline score between 17 & 28. If you do not have a previous test score the pre-test is mandatory. This will serve as your base line score. If the 2 point increase is not met, then we will enroll the student in the next group class for FREE.
 Our goal is your student success!

Enrollment Agreement

- I have enrolled in the Sylvan ACT Prep course for a college admissions test. All techniques and materials are the property of Sylvan learning center. I agree that no reproduction of course materials will be distributed to any third parties.
- Sylvan Learning Center reserves the right to alter the course schedule or cancel classes should it prove necessary. Cancelled classes will in no way penalize students and will be rescheduled.
- Sylvan Learning Center reserves the right to dismiss any student who is disruptive to the progress of other students.
- Sylvan offers an enjoyable course for students who are willing to work hard to improve their ACT scores. We can accomplish great things, but the best results come from the responsibility and effort put forth by our students. Failure to attend all classes and turn in all homework forfeits the right to our guarantee.
- I understand that I must give 24-hour notice to change a scheduled session time and that all rescheduled sessions must be made up within 30 days. I further understand that no makeup session will be offered for group classes, in the event of a late cancellation or failure to attend a scheduled session without notice.
- I understand that enrollment in a Sylvan ACT Prep program does not schedule me for the official ACT Test. You must register on your own. You can do this at actstudent.org

ACT Guarantee

The course guarantee is a 2 point increase in your ACT Score. The Sylvan pretest will qualify you for this guarantee if you have not already taken the ACT. If you have previously taken the ACT, turn in your latest scores with this enrollment form. If scores are 17 or below or 28 and above, this guarantee does not apply. If the scores are 17 or below, we strongly recommend taking the Sylvan Skills Assessment Test to identify specific skill gaps that need to be addressed. If you do not score 2 points higher on the official ACT, you may attend a future Group session at no extra charge with 2 months of receiving your test scores provided you have met all the requirements of the ACT Prep course and tuition has been paid in full.

By Signing below you acknowledge that you understand the agreement and will abide by these terms.
