ALTON - Last Friday, January 15, the [Riverbender.com Community Center](http://Riverbender.com) hosted another weekly competition; The Selfie Challenge. With 45+ kids coming out to compete during Open-Play hours, the center was full of kids snapping pictures of themselves to enter the competition.

The challenge went like this: At the beginning of the night, each participant was given a list of 10 categories that they could enter. The categories included "best hair", "best pose", "you and your bestfriend", "most people in one selfie" and "funniest face." Participants had until 8:30 to enter their photos by uploading them to their own

personal Instagram accounts and tagging the RBCC in each post. At 8:30, our team of adult volunteers gathered to pick a winner for each category. Each winner walked away with a selfie stick and the title of Selfie Queen or King.
