

Korte & Luitjohan Contractors Inc. selected contractor for Columbia, IL., project

February 12 2016 11:35 AM

EDWARDSVILLE - Korte & Luitjohan Contractors Inc. was selected as construction manager for the 11 South Project, a \$10 million professional office building in Columbia, IL.

The five-story, 59,365-square-foot project will be situated on the bluffs and have views of the Mississippi River, Jefferson Barracks Bridge and downtown St. Louis.

Quadrant Design Architects and Planners is the architect; BRiC Partnership LLC is the MEP engineer; Millennia Professional Services is the civil engineer; and Kreher Engineering Inc. will serve as structural engineer.
