**ALTON** - The **Alton Redbirds** expect a large crowd to travel to Collinsville High School on Friday night for the contest between the Redbirds and East Moline.

**Alton High School Athletic Director Jeff Alderman** said the crowd support against Edwardsville on Friday night was fantastic and was a big lift to the team. He said he expects another strong crowd for the 7 p.m. game Friday.

“I think we will have a big crowd,” he said. “East Moline (United) High School has a long way to go, but I expect a big crowd from us. Our people love basketball and are very supportive of the community. The kids are very important in the eyes of the community. We have a lot of proud basketball families and athletes. The win over Edwardsville was very exciting.”
