ROXANA - Roxana boys' track and field team was dominant in the **Madison County Small Schools Track and Field Championship** on Monday, capturing the meet with 91 points, easily outdistancing **Civic Memorial**, who had 64 points.

Roxana and CM were followed by: Madison (51), EAWR (36), MEL (16) and the Explorers (13) rounded out the field.

“I knew it was going to be a battle,” said **Shells coach Juli Akal**, “with Civic Memorial and Madison; we're all pretty evenly matched this year, so I took the opportunity to change things around a little bit with our lineup, not knowing what they

had and hoping It would work out in the end, and it worked out for us.

“There was some strategy involved, that's for sure; I pulled out some of my main guys that normally just run relays and put them in individual events to try to get more points; I tried to make sure we placed two people in every event today, and that makes a difference for us.”

“In some areas, we did real well and some, this is the weakest we've had all year,” said **Oiler coach Russ Colona**. “We had a real late night Friday night; the kids ran real well in Sparta – a couple of places, we fell backwards today. A lot of kids stepped up too.”
