ROXANA - A body was found Monday morning at the **Phillips 66 Wood River Refinery**.

The **Roxana Police Department** is leading the investigation into the matter with other area law enforcement, **Phillips 66 Wood River Refinery** spokesperson **Melissa Erker** said. The Madison County Coroner's office is also investigating the situation.

“We are cooperating with Roxana Police Department and law enforcement agencies on an active investigation,” Erker said. “The incident is not connected with refinery operations and refinery operations are not impacted. Our deepest sympathies go out to the family and friends of the individual.”

Erker said proper notification has to be made to the family of the person found.
