Mark your calendars for "Sneak Peek of Sylvan" event

June 17 2016 8:51 AM

EDWARDSVILLE - YOU ARE INVITED TO A FREE SYLVAN "SNEAK PEEK"!

CHECK OUT OUR STEM CLASSES AND MORE!

WE WILL SEE YOU ON Wednesday, JUNE 29TH from 6-8 p.m.

Want to experience our cool, new STEM programs — Robotics, Coding and Math Edge — for free? Join us on Wednesday, June 29th from 6-8 p.m. for an exciting "SNEAK PEEK of SYLVAN" event!

What's so special about STEM, you ask? Studies show that giving your child hands-on learning experiences with science, technology, engineering and math in elementary school can make a huge impact later in life, from school to skilled careers. Come see what the buzz is all about!

PLUS, LEARN HOW TO HELP YOUR CHILD AVOID SUMMER LEARNING LOSS!

Make this summer count and start the school year strong!

Sylvan can help!

We will have information and special discounts available to those in attendance. Learn about the benefits of our academic tutoring services and summer camps! We offer reading, writing, math, study skills, and test prep.

It will be an "open house style" event, however, if your child wants to build a robot or create a video game please be sure to R.S.V.P. as limited spaces are available for the free classes.

RSVP to Sabrina at sabrinasylvan@sbcglobal.net
