

Serve Illinois Commission announces \$15.6 million for AmeriCorps programs

July 25 2016 4:12 PM

32 grantees will place almost 1,600 AmeriCorps volunteers in communities

SPRINGFIELD – The Serve Illinois Commission on Volunteerism and Community Service (Commission) today announced approximately \$9.2 million in Corporation for National and Community Service federal grants to almost 1,600 volunteers in 32

AmeriCorps programs to better serve Illinois communities. An additional \$6.4 million will support education awards for the volunteers after their service is completed.

“This year we were able to leverage enough federal funds to expand AmeriCorps’ reach into new counties throughout the state,” said Serve Illinois Executive Director Scott McFarland. “AmeriCorps members work every day to support thousands of Illinoisans in need including 425,000 disadvantaged youth and 10,000 veterans and military family members. These volunteers are going to change the lives of hundreds of thousands of Illinoisans.”

These federal grants will be used for services in Illinois, including tutoring and mentoring at-risk youth, preparing communities to respond effectively to emergencies, feeding those in need, providing legal support services, reentering incarcerated individuals into their communities, and improving youth and adult literacy. The Commission, a part of the Illinois Department of Public Health (IDPH), administers the AmeriCorps programs in Illinois.

“While they serve others, AmeriCorps members also expand opportunity for themselves – gaining the skills, experience, and college money to help jumpstart their careers,” said Bill Basl, director of AmeriCorps. “We are looking for men and women of all ages who want to serve and make a difference for their country.”

AmeriCorps members dedicate a year to helping communities meet their unmet economic, education, health, public safety, and environmental needs. Members may receive a modest living allowance, student loan deferment, and training. Members who successfully complete their service receive an educational award of up to \$5,775 to help pay for college, graduate school, vocational training, or to pay off student loans.

Since 1994, 33,000 people have volunteered 45 million hours in Illinois through AmeriCorps. Those hours equal more than \$1.1 million in community impact.

Serve Illinois’ AmeriCorps Programs:

Program	Counties Served	Focus Areas	Funding	Members
Academy for Urban School Leadership	Cook	Education	\$40,000	50

American Red Cross	Adams, Champaign, Cook, DeKalb, Kankakee, McDonough, Rock Island, Sangamon, St. Clair, Winnebago	Disaster Services	\$332,085	27
