EDWARDSVILLE - Southern Illinois University Edwardsville's Dr. Randy Pembroke officially began his appointment as the University's ninth chancellor on Monday, Aug. 1. During his first day, Pembroke was welcomed by SIUE mascot Eddie the Cougar, received his Cougar ID and shared greetings with faculty, staff and students around campus.

The SIUE alumnus is excited to be back and impressed by the substantial growth the University has achieved during his time away. Pembroke completed his first of many building tours, guided by Interim Vice Chancellor for Administration Rich Walker.
