JERSEYVILLE - The body found in **Godfrey** at 5:50 p.m. on Thursday, Aug. 4, 2016, has been positively identified as **Dean A. March**, 25, who was listed as a missing person beforehand.

March's family filed a missing person report in regard to March earlier in the week with the **Jersey County Sheriff's Department**.

The sheriff's deputies from Jersey County office located human remains near Legate Drive in Godfrey.

The **Illinois State Police** Crime Scene Services and Investigations, along with the **Jersey County Coroner Larry Alexander**, responded to Legate Drive.

An autopsy was performed, and the cause of death will be determined after all investigations are completed.
