EDWARDSVILLE - Southern Illinois University Edwardsville has announced the names of students qualifying for the Dean's List for summer 2016. To qualify, a student must maintain a grade-point average of 3.5 or better and have 12 hours calculated (B is equivalent to 3.0; A to 4.0).

[Southern Illinois University Edwardsville](http://www.siu.edu) provides students with a high quality, affordable education that prepares them for successful careers and lives of purpose.

Built on the foundation of a broad-based liberal education, and enhanced by hands-on research and real-world experiences, the academic preparation SIUE students receive equips them to thrive in the global marketplace and make our communities better places to live. Situated on 2,660 acres of beautiful woodland atop the bluffs overlooking the natural beauty of the Mississippi River's rich bottomland and only a short drive from downtown St. Louis, the SIUE campus is home to a diverse student body of more than 14,000.
