

South Buchanan Street to be closed for construction beginning Oct. 24

October 21 2016 8:49 AM

EDWARDSVILLE - Weather permitting, **South Buchanan Street**, from **East Vandalia Street/IL-143/IL-157** through the intersection of East Schwarz Street, is scheduled to be closed to all traffic beginning **Monday, Oct. 24, 2016**. This closure is anticipated to last until **Nov. 14, 2016**.

During this closure the contractor will be removing the existing pavement, installing new storm sewer, and installing new concrete pavement. Businesses along this route will be required to be accessed via the rear alley or side streets.

Advanced warning signs and detour routes will be posted and all motorists will be required to use alternate routes.
