

# **Southern Illinois Home Care Partners with Senior Services Plus**

April 25 2012 10:20 AM

Southern Illinois Home Care recently partnered with Senior Services Plus of Alton in a preferred provider agreement to bring a more comprehensive list of resources to the seniors served by both organizations. The partnerships are a perfect match by bringing together home care and homemaker services. Southern Illinois Home Care's home care professionals provide clinical care in the comfort of a patient's own home while Senior Services Plus' Community Care Program provides individual assistance and support for Activities of Daily Living.
