GODFREY - A white **Chevrolet SUV crossover** traveling southbound on **Godfrey Road** collided with a semi truck Friday morning.

Everyone involved in the collision refused medical care, officers from the **Madison County Sheriff's Office** said at the scene. The driver of the semi truck, who refused to be identified, said the driver of the Chevrolet collided with his truck as the truck was taking a wide turn across the lanes of Godfrey Road. He said a witness told him the driver of the crossover was traveling as fast as 40 mph during the collision, and suspects the other driver was not paying attention.

A Madison County Sheriff's deputy said the collision occurred around 10:30 a.m. near **Cleta's Nutrition**, located at 3004 Godfrey Rd. The truck featured markings from **KeHe Distribution**, an organic and specialty food distributor based from **Romeoville, Ill.**

The driver of the Chevrolet could not be reached for comment.
