Edwardsville head cross country coach and distance coach for the track and field **George Patrylak** said the trivia night is a huge fundraiser for the cross country and track teams.

“It is one of our two largest fundraisers, along with Mud Mountain,” he said.

"With state funding being difficult, these type of fundraisers help support support of about 600 athletes in these two sports. The reach is also for the high school and Lincoln and Liberty Middle School athletes. We hope we can sell our remaining 10 tables and have an excellent night. I think our joint booster club for track and field and cross country does an excellent job.”
