ALTON - An older model black Impala collided with a white bus just after 2 p.m. Thursday in the 2800 block of East Broadway in Alton and one person on the bus was transported to a local hospital.

The Alton Police said at the scene the black Impala suffered “excessive front-end damage.” The driver of the Impala was not apparently injured, visibly walking around and communicating after the crash.

Alton Police, Alton Fire Department and its **new ambulance** were all at the scene.

The passenger car apparently rear-ended the white bus. It was not known immediately at the scene the type of bus involved in the crash.
