HOLIDAY SHORES - No charges have been filed or injuries reported following a crash Monday afternoon into **Gilliganz Bar and Grill**, located at 7257 St. James Drive at an **Edwardsville** address.

Will Dimitroff of the **Madison County Sheriff's Office** said police received the call at 3:01 p.m. of a Ford F-250 crashing into the building. Dimitroff said no charges were

filed, citing the incident occurred on private property and neither speed nor alcohol were factors in the crash. He could not specify possible property damage resulting from the crash, but did say the truck went into the establishment.

"It entered in an area in which no one was standing," Dimitroff said.

A representative from Gilliganz said Monday's mess is being repaired, noting Gilliganz was able to stay open Monday and continues to be opened Tuesday afternoon.
