

# FFA Week celebrated by Alton High School Chapter

February 23 2017 8:15 AM

GODFREY – Future Farmers of America chapters throughout the United States are celebrating National FFA Week, February 17 – 26, 2017.

The Alton High School Chapter has planned numerous events throughout the week, including Camouflage & Hat Day, USA Day, Team Jersey Day and Redbird Spirit Day.

Students can also spin a wheel, and answer agriculture-related questions correctly to win prizes. On Friday, February 25, students will partner with Tractor Supply Company, hosting a bake sale, and offering Grants for Growing paper emblems for \$1 (or more) at checkout.

Money raised during the “Grants for Growing Program” supports local FFA chapters that are making a difference in their communities with unique and sustainable agricultural projects.
