March 25 2017 12:05 PM

ALTON - This year's Alton Band and Orchestra Builders Spring Vendor Fair and Pancake Breakfast was another successful event.

Held by the supportive collaborative of Alton band and orchestra family members, friends and alumni, the event gives the public an opportunity to view and buy a plethora of items and help the program purchase much needed items, repair instruments and more.

"These events keep us going," Alton Orchestra director Laura Plummer said. "The Alton Band and Orchestra Builders has been around for close to 70 years now and all of the funds raised goes to support our music programs throughout the district."

"Though we get a lot of support from the Alton School District, who has taken care of us, ABOB helps us sustain what the district can't. We cannot have this program without it."

The following vendors & crafters were selling items at the fair:

All Snaps  
Origami Owl  
Perfectly Posh  
Nerium International  
Tastefully Simple  
Scentsy
