Aggravated Driving Under the Influence While License Revoked

At 11:28 p.m. 03/05/2017, the South Roxana Police Department was on routine patrol when an officer had to suddenly slam on the brakes to his marked squad car to avoid a collision in the 400 block of Broadway Avenue. Another car driven by Christina Baggett swerved into the officer's lane almost striking the squad car.

A traffic stop was conducted on the driver Christina Baggett who has a revoked driver license and is currently on probation for D.U.I. and is on her fourth DUI. Baggett was uncooperative during the entire traffic stop, police said.

She tried to walk away from the traffic stop after being repeatedly ordered to return to her car. Then she tried to claim she was not driving her vehicle even though the officer witnessed her get out of the driver's seat and no one else was in the vehicle, police said.

She was taken into custody and released from the police department until a review could be conducted by the Madison County State's Attorney's Office due to her lengthy driving record. The Madison County States Attorney Office issued felony warrants for Aggravated Driving While Under the Influence a Class 2 felony which is a non-probation able offense and Aggravated Driving Under the Influence While License Revoked a class 4 felony with bond \$100,000.
