

# **WellSpring Resources Back-to-School Supplies Drive**

August 8 2012 3:31 PM

WellSpring Resources is hosting a Back-to-School Supplies Drive to benefit the underprivileged families and children they serve. Much needed supplies include: loose leaf paper, scissors, tissues, hand sanitizer, folders, binders, pencils, pens, and anything else you wish to donate. By donating just a few items (or a lot!) you can help needy children in our community have a bright, promising future. Supplies will be collected until the end of August. Please bring your school supplies donations to the front desk at WellSpring Resources, 2615 Edwards Street, Alton. Call 618-462-2331 if you have questions regarding donations or how WellSpring Resources is making a difference in our community. WellSpring Resources-from here it all changes!
