COLLINSVILLE – O'Fallon prevailed in the Collinsville Invitational with 204.5 points on Saturday, but Edwardsville was second with 142 points, then came Alton with 89 points, Belleville West with 78 points and host Collinsville with 70 points. Triad was eight with 55.5 points and Jersey finished 10th with 9 points.

“It was OK,” said Edwardsville coach Camilla Eberlin of the Tiger performance on the evening. “We were a little bit running with the weather, not quite up to our peak, but we

had some really good things – both of our two-milers (Julianna Determan and Hannah Stuart) had big PRs, Abby (Schroeglin) had a PR, Quierra Love ran another good 200, our 4x100 wasn't quite as solid as it was Tuesday (at the Madison County large-school meet in Granite City) and our 4x400 ended the meet with a good first two (legs)."

"I think we did good," said Redbird coach Jada Moore. "We got a chance to work on our relays so we can prepare for state; we've got Kellie (Mans) who placed first in her (section of the) 400 (meters). We're trying to drop her time so she can qualify for state. We had a first place from Jeanea Epps in the 100 – it's just good to finally start seeing they're dropping times and we're so close to state qualifying times."

COLLINSVILLE GIRLS INVITATIONAL TRACK MEET

KAHOK STADIUM, COLLINSVILLE
