

McKinley Bridge to be closed for construction starting July 14

July 7 2017 1:44 PM

VENICE – The Illinois Department of Transportation today announced that all lanes of the McKinley Bridge will be closed to traffic beginning at 9:00 PM, Friday, July 14, 2017, weather permitting. This closure will continue throughout the weekend. All lanes will be open by 5:00 AM, Monday, July 17, 2017. This closure is required so the existing bridge surface can be sealed.

Motorists are urged to find alternate routes during the closure period.

The contractor on this project is M&M Concrete, Inc., of Stockton, Illinois.
