

Bourne hosting district-wide traveling office hours

July 13 2017 1:59 PM

LITCHFIELD - Representative Avery Bourne (R-Raymond) is hosting traveling office hours throughout the district on Mondays and Fridays from July 21st to July 31st. Traveling office hours are held in an effort to make it easier for those who are unable to make it to the Litchfield Office to meet with the Representative.

Bourne looks forward to hearing from constituents who need assistance or have questions about state government. All are invited to meet with the Representative or just stop by and say “hello.” If individuals would like to ensure individual meeting time with Representative Bourne they are asked to call her district office in Litchfield at (217) 324-5200. Appointments are encouraged but not required.
