MARYVILLE – Cambridge House, an assisted living facility in Maryville, enjoyed "Games Night" Wednesday with the SIUE softball team.

SIUE softball Head Coach [Sandy Montgomery](#) said the team played Uno, Rummy, and Apples to Apples among other games. It was an evening for the SIUE student-athletes and the residents of Cambridge House to have some fun and games.

"We gave away candy for our prizes and had a good time with the residents," said Montgomery.

The team also joined the celebration of one resident's 85th birthday.
