

Josh Collins

November 7 2017 12:15 PM

Years of Service: 2001 - 2013

Branch: Army

War: Iraq War, two tours

Message: Josh is an amazing man and I am so proud of him for serving our country. He managed to survive during combat; unfortunately some of the members of his crew did not. He was one of the many men who helped take down Saddam Hussein in his bunker. He is home and is working diligently on his future as a pedal cab driver in Florida! Thank you so much for everything you have done for our country and myself! I love ya!
