ST. LOUIS - The National Weather Service in St. Louis said Saturday morning winter weather advisories are in effect Sunday into Sunday night for a large portion of the region.

A wintry mix of precipitation will overspread the region leading to accumulating ice from freezing rain, and in some locations there will also be accumulations of sleet and snow before the transition to freezing rain, the Weather Service said.

"Our best advice is to avoid travel if possible," the Weather Service said.

The upcoming National Weather Forecast for the St. Louis area is follows:

### **Tonight**

Increasing clouds, with a low around 17. Southeast wind 5 to 8 mph.

### **Sunday**
