"Each year, [United Way of Greater St. Louis](#) offers one-time grants throughout the region to provide financial support for new and emerging issues," said Midge McKee,

United Way community investment committee volunteer chair. "These grants are yet another way United Way is helping to build a healthy community throughout the metro St. Louis region."

In 2012, United Way awarded 22 organizations in the region one-time community enhancement grants, totaling \$211,132.

About United Way of Greater St. Louis

United Way funds more than 170 health and human service agencies located throughout a 16-county area in Missouri and Illinois. One in three people (that's more than one million) in our community receive services that strengthen families, help the elderly, keep children healthy and safe and build stronger neighborhoods.
