MARYVILLE - A free screening clinic for children with bone, muscle or joint problems is set for 9 a.m. to 11 a.m. Saturday, March 3, at Anderson Hospital, 6800 Illinois Route 162 in Maryville.

The screening clinic is sponsored by Troy/Edwardsville Shrine Club of the Ainad Shriners.

**Conditions treated for children at Shriners Hospital in St. Louis are:**

- Arthrogryposis (stiff joints)
- Cerebral Palsy
- Clubfoot
- Hip conditions
- Osteogenesis Imperfecta (Brittle Bones)
- Juvenile Rheumatoid Arthritis
- Limb deformities
- Limb length differences
- Neurological disorders
- Rickets
- Scar revisions
- Scoliosis
- Specialized plastic surgery
- Spina Bifida/Meyelodysplasia
- Spine conditions
- Sports injuries

Children are eligible to receive care if they are under the age of 18 with a treatable orthopedic condition. Income, financial status and/or insurance coverage has no impact on eligibility for services.
