Join Erin Lane for a special parent and child dance series. Our theme for March is Carnival of the Animals! A classic children's story and ballet, Carnival of the Animals brings fun and imagination to life with movement, music, storytelling, and humor. We'll dance and play the hour away!

For boys and girls age 2-5 and their parent. No limit on the number of children per family.

\$15 fee is due at first session, March 8, and covers both sessions.
