

Be a Superhero For Kids!

March 6 2013 10:38 AM

CASA of Southwestern Illinois and its partners unite to work collectively toward raising awareness about child abuse in St. Clair, Monroe, and Madison Counties. CASA of Southwestern Illinois is planning our 2nd Annual Superhero 5k, 1 mile fun run, and family fun event. As a symbol of CASA and its partners' commitment, the Superhero Run will occur on April 13, 2013 in St. Clair, Monroe, and Madison County. How exciting.... not one county....(3) counties.... at the same time....on the same day. Please join the fight by sponsoring a morning of running and family fun to help our advocates be the "voice" for abused and neglected children in need. You can be a Special Superhero for CASA Kids. We challenge you to move, to get involved, to make an impact, and help change your community for the better. We challenge your business to invest in the next generation! You are a SPECIAL SUPERHERO
