

# CJD E-Cycling hosts electronic recycling drive for residents of Alton

April 10 2018 12:43 PM

ALTON – CJD E-Cycling will be collecting electronic recyclables on Saturday, April 14 from 8 a.m. - noon. The event will take place at the Old Public Landfill, across from Pete's Lounge and Woodman Collision Center. **It is important to note that this drive is for City of Alton residents only. A valid driver's license or photo ID with address is required for admission.**

CJD E-Cycling accepts almost anything with a cord and anything metal (ferrous or non-ferrous), so bring out those old TVs, laptops, and flatscreens. **CJD E-Cycling also accepts CRT, projection, plasma, and console TVs for a fee of \$5-30, depending on the size.**

CJD E-Cycling is a family owned, full service computer and electronics recycler serving the Metro East / St. Louis area. CJD E-Cycling follows all State of Illinois laws and regulations and is an EPA approved collector. It has collection centers open year-round with convenient hours in both Edwardsville and East Alton.
