ALTON - Marquette Catholic High School honored the 2018 class of Explorers during the 91st graduation commencement ceremony Friday night at Lewis and Clark Community College.

Lauren Walsh, senior speaker, thanked everyone in attendance for being apart of the celebration.

“Each of you has had an impact on our lives one way or another,” Walsh said. “Giving us the tools to reach our dreams, or simply by believing in us. You showed us the sky is the limit if such a limit exists and for that, we are forever grateful, so thank you.”
