

# **Dr. Goldenberg provides men's education presentation on ED June 13**

May 23 2018 10:38 AM

MARYVILLE - In honor of Men's Health Awareness Month, Dr. Etai Goldenberg is providing a Men's Health patient education presentation on the signs, symptoms, and treatment options for Erectile Dysfunction (ED) and Stress Urinary Incontinence (SUI) on Wednesday, June 13<sup>th</sup> at Anderson Hospital.

The presentation begins at 6:00 PM in the basement of the Anderson Hospital Physician's Office Building and features a patient testimonial from a couple who suffered with ED for year, light refreshments, and educational materials.
