

US Coast Guard Auxiliary Safe Boating Class Schedule Change

April 1 2013 8:43 AM

Flotilla 3-13 of the United States Coast Guard Auxiliary will be offering the "About Boating Safety" course at Grafton City Hall in May. The course runs on 2 consecutive Saturdays from 9:00 AM till 1:00 PM on May 4 and May 11. We regret to announce that the previously scheduled April 6 and April 13 class must be cancelled. We encourage interested parties to register as soon as possible for the May classes.

Course Preregistration is necessary. Sign up or for more information by dropping by Grafton Harbor, or calling Jan at 618-786-7678 or by contacting Mark at msz@charter.net or cell phone number 314-803-7044. Boater Education Saves Lives

Missouri's Mandatory Boater Education Law requires that every Missouri resident born after January 1, 1984 who operates a vessel on Missouri lakes must carry a boating safety identification card issued by the State Water Patrol and a valid photo ID. This includes personal watercraft like Jet-Skis. The Boating Safety ID Card indicates successful completion of a boating safety education course. Illinois and many other states have similar requirements.

Successful completion of this course will not only earn the Boating Safety ID Card, but will also give you invaluable information which will help you to remain safe on the water. Whether you are required by law to take the course or not, Boating Safety Education will help you be a better, safer boater. Insurers recognize this and most offer a discount on your insurance for completing the course.

To learn more about boater education, Vessel Safety Checks and other services provided by the Coast Guard Auxiliary - or if you are interested in learning how to become one of us - please visit us online at www.uscgauxflotilla3-13.org or contact us at msz@charter.net.

The United States Coast Guard Auxiliary is composed of uniformed, non-military volunteer civilians who assist the Coast Guard in all of its varied missions, except for military and direct law enforcement. These men and women can be found on the nation's waterways, in classrooms and on the dock, performing safety patrols, vessel safety examinations and public education. The 31,000 members of the Coast Guard Auxiliary donate millions of hours annually in support of Coast Guard missions.
