

The Nature Institute Offers Frog Program

April 3 2013 9:08 AM

On Wednesday, April 3rd TNI friend and naturalist Paul Shetley will be presenting “Songs of Frogs and Toads” at 6:30 p.m. at Talahi Lodge. Participants will learn how to identify amphibians by their sounds and physical features. After a slideshow, Shetley will lead the group around Cypress Pond to catch and release Leopard frogs, American toads and other amphibians. Bring a flashlight, waders (or extra shoes) and a camera. Register by calling (618) 467-2521 or just come on out. \$3 per person. Ages 5 and up.
