ALTON - My Just Desserts has gone through some recent changes with head baker Yvonne Campbell stepping up after owner Ann Badasch decided to retire.

Badasch left a legacy with her years of work with My Just Desserts, bringing it to a household name in the Riverbend area. Campbell said the last couple weeks have been a quite a bit to handle but the positive support from the community has made the transition a very enjoyable process.

“Everything has been going awesome,” Campbell said. “We’ve been having a lot of positive reactions from new customers and our regulars.”

Campbell said a million thanks are owed to everyone for supporting My Just Desserts during the transition and added that customers can expect more excitement soon with a grand opening and relaunch set for the second weekend of August.
