ROXANA - Roxana head volleyball coach Mike McKinney said any time Roxana meets East Alton-Wood River in any sport, the records can be tossed out.

Roxana defeated East Alton-Wood River 25-20, 25-22 Tuesday night. The win was the sixth straight for the Shells.

"It is always a dog fight when we play East Alton-Wood River," he said. "This wasn't our prettiest win, but hopefully we learn from it."

Roxana had three girls with 18 total kills - Abi Stahlhut, AbbiZangori and Kiley Winfree against East Alton-Wood River. Abby Kurth and Marie Lucas also contributed several assists to the Shells' effort. Zangori led the team with seven kills, Stahlhut had five kills and Winfree had six kills. Mackenzie Keller had 14 digs and six service points. Lucas had four kills and 11 assists. Reagan Stahlhut had five service points and Jennifer Trask four points. Taylor Jackson, always a consistent performer, had one service point, one ace, one kill and a block.

Roxana's girls' volleyball team improved to 10-5 on the season.

Coach McKinney said the team's schedule is tough this year.

"We have a deep and experienced team, but yet we are still young with six sophomores on varsity. We hope to continue improving and build on what we have accomplished so far."
