GLEN CARBON - The Glen Carbon firefighters have had a busy September with community service.

Over the Labor Day weekend, firefighters were on Old Troy Road for several hours collecting money for the Muscular Dystrophy Association's Fill The Boot campaign. The event is one in which member fire fighters gather on streets across the country collecting money in their boots from neighbors and passersby. The Glen Carbon firefighters have traditionally participated in this campaign for many years.

Three Glen Carbon firefighters participated in the 911 Memorial Stair Climb at Cahokia Mounds on Sept. 11. Firefighters DeSutter, Roberts, and McLaughlin were proud to replicate the 110 flights of stairs that first responders heroically completed 17 years ago.
