

# **Ooh La La Spa celebrates 10 years of serving Edwardsville/Glen Carbon**

October 4 2018 3:53 PM

GLEN CARBON - Since 2008, [Ooh La La Spa, Anti-Aging & Wellness](#) has helped hundreds of local residents feel their best inside and out – and just as important, helped the communities in which they live to be the best they can be. On **Wednesday, October 10, 2018**, the Spa will celebrate a decade of serving the Metro East and the continued dedication of its loyal patients with a **10<sup>th</sup> Anniversary Party**, which includes the [unveiling of its new Fountain Club program](#).

A women's health provider, Kristen M. Jacobs, M.D. opened Ooh La La as an aesthetic medicine and preventive health practice in 2008. As the demand for quality anti-aging procedures grew over the next 10 years, so did Dr. Jacobs' line of services, turning Glen Carbon into a destination for patients across the country looking for the ultimate in care. Today, Dr. Jacobs and her team offer the latest scientific and technological advancements in injectables, face and body contouring, skin rejuvenation, laser services, nutritional programs, and spa services. In 2010, her husband Robert L. Wise, D.C. joined the practice to offer chiropractic, acupuncture and nutritional counseling for a whole-body approach to wellness.

Ooh La La is the top Medical and Anti-Aging Spa in the Metro East. Dr. Jacobs is an Allergan Medical Institute Faculty Member Trainer and Speaker and enjoys training other providers on injectables and the science of SkinMedica Skincare. She is also recognized as an elite provider and in the top one percent of all Allergan clinics in the country. In addition to their work with patients, Dr. Jacobs, Dr. Wise and the Ooh La La team believe in the overall health of the Edwardsville/Glen Carbon community and its residents. That's why since opening its doors, Ooh La La has regularly supported the community and nonprofits in the entire region with a special focus on Edwardsville Neighbors in Need and Paint the Town Gold.

### **An Anniversary Party and a New Loyalty Program**

In celebration of its 10<sup>th</sup> Anniversary, Ooh La La will host an **open house for the public** at its location at **110 Cottonwood Rd. in Glen Carbon** on **Wednesday, October 10th from 3 p.m. to 7 p.m.** The event includes free mini HydraFacials (on a first-come, first-served basis), drawings for prizes, drinks and snacks, as well as an introduction to Ooh La La's new **Fountain Club** loyalty program. The Fountain Club allows current and prospective patients to build a complete, customized treatment plan around their particular goals and budget, and set monthly payments that work best for them, leading to greater compliance with treatments and optimal results.

“There are many women who want to battle the effects of aging, but feel professional treatments are out of their reach financially,” said Dr. Jacobs. “At Ooh La La, we believe every person should be able to look and feel their best, even on a budget.

Because of the incredible support of our patients over the past 10 years, we want to give them the opportunity to continue benefitting from the aesthetic services we provide and offer new patients the chance to experience how a complete wellness package can positively transform their confidence and overall well-being.”

Individuals who would like to learn more about the 10<sup>th</sup> Anniversary Party and The Fountain Club are invited to visit [www.kristenjacobs.com/fountainclub](http://www.kristenjacobs.com/fountainclub) or call 618-288-9117.
