SPRINGFIELD— The Illinois Department on Aging's (IDoA) Senior Health Insurance Program (SHIP) is reminding seniors of the free counseling assistance available to Medicare-eligible individuals and their caregivers during Medicare Open Enrollment occurring October 15th through December 7th.

During open enrollment, eligible adults can adjust Medicare Advantage or Medicare prescription drug coverage, move from original Medicare to a Medicare Advantage plan - or vice versa - switch between Medicare Advantage plans, join a Medicare Prescription Drug Plan, or switch or drop existing drug plans without penalty; all of which can be overwhelming and confusing. With over 350 SHIP offices across Illinois, the agency stands ready to refer clients to their closest site, which can schedule an appointment to assist with open enrollment.

“I encourage seniors to make an appointment at their earliest convenience, because as during every open enrollment season, we anticipate it'll be very busy with people seeking help,” said Jean Bohnhoff, Director of IDoA. “Our SHIP counselors are ready to help you make sense of the complicated Medicare system and to make the best choices for your healthcare as we prioritize respecting yesterday, supporting today, and hoping for tomorrow.”

SHIP counselors work through the Medicare.gov system to help seniors and people with disabilities make the best choices for their individual situation. **Contact SHIP, by calling 1-800-252-8966**, weekdays 8:30 a.m. - 5:00 p.m. For more information about SHIP, including a list of SHIP locations, visit the website at: <http://www.illinois.gov/aging/ship/Pages/default.aspx>.
