

Letter to the Editor: Vote for Education

Dear Editor:

For 16 years, I have been a teacher in the Edwardsville School District. I followed in the footsteps of my mother and my dad who were also educators in our region. Every day, I am surrounded by dedicated professionals who are committed to delivering a high-quality education to every child.

While I love being in the classroom, it has not always been an easy profession to say the least. This November, educators have the chance to elect a strong ally of public education to the Illinois Senate. Rachelle Aud Crowe, candidate for the 56th State Senate District, understands how important a quality education is.

A graduate of Roxana High School and a lifelong resident of the Metro-East, Rachelle is committed to ensuring the state increases state funding of our local schools and never again operates without a budget. I hope you will join me in supporting Rachelle Aud Crowe for the State Senate this November.

Sincerely,

Jennifer Fowler
