About the Calhoun Entertainment Company

Calhoun Entertainment Company (CEC) has been performing musicals and other productions since the spring of 1989. We are a not-for-profit organization that finds a place for all that wish to participate. As this is a small community, most musical/drama programs have been cut in the schools, so the CEC serves as the only avenue for the young or young at heart to perform. We also perform a Christmas season concert and showcase the Calhoun Entertainment Company Jamboree Show during the month of July. The proceeds from our Jamboree and donations from the Christmas concert help finance our spring musical. Our group also has a Rock N Roll band that performs throughout the county at various events.
