

# Goodbye to Hit-N-Run's Mark Hackworth

July 26 2013 9:11 AM

Today Mark Hackworth retires from Hit-N-Run. Through the years, Mark's strength of character, acceptance of loss, generosity, community commitment and business knowledge has benefited the community.

Hit-N-Run is a company that Mark built, sold and then continued to work with to help the company grow and flourish. If you don't know Mark, it's a shame, because he is the type of person that makes one feel comfortable.

The RiverBender.com Community Center wishes Mark the best of what retirement has to offer – love, travel and staying up/sleeping late. The riverbend community is better because of Mark's contributions.
