The goal of the event is to touch the world by setting a platform for Christians to use their gifts and talents to bless the body and community.

The carnival, games, and food is to attract the community, the night will hold praise and worship to minister to the saved the non-saved people in the community.

The U.N.I.T.Y. evolved from Transformers United for Christ International Outreach Ministries Church, ministered to by Apostle Drakeford. The ministry is driven by God and his spirit and truth.
