GODFREY – Professionals from the Madison County Sheriff's Office, Illinois State Police and the Federal Bureau of Investigation (FBI) addressed those interested in a career in criminal justice during an open house and panel discussion March 20 at Lewis and Clark Community College.

Attendees received information on L&C's Criminal Justice program, and about the field — what jobs are available and what they entail, as well as what education and training is required to qualify. Representatives with L&C Enrollment and Financial Aid were also involved.
