

New Surgeon Joins Saint Anthony's

September 30 2013 10:49 AM

Saint Anthony's Health Center has added a full-time general surgeon to its medical staff: Michael Bonebrake, M.D. As the newest member of Saint Anthony's Physician Group, Dr. Bonebrake joins Paul Loethen, M.D. and Emily Albright, M.D. in Suite 305 of Saint Anthony's Professional Building.

Dr. Bonebrake recently finished a Critical Care Fellowship at Barnes-Jewish Hospital. After completing his medical degree from Creighton University School of Medicine, he served as Executive Chief Resident in the Department of Surgery at University of Iowa Hospitals and Clinics during his residency training.

As a surgeon, his clinical interests and procedures include: Anti-reflux surgery, breast cancer, colon, gallbladder, hernia repair and minimally invasive laparoscopic procedures, as well as general, vascular and trauma surgery.

Dr. Bonebrake may be reached at 618-465-9024.

Saint Anthony's Physician Group, the area's largest local physician group with 29 providers, includes:

Family Practice: Kevin Boyd, D.O.; Michael Klein, M.D.; Priya Kumaraguru, M.D.; Yusuf Mohyuddin, M.D.; Manju Ramchandani, M.D.
