

Alton, Collinsville, Jerseyville, Edwardsville, Greenfield, Grafton and Troy Students are on ISU Dean's List

June 5 2019 3:14 PM

Indiana State University has published their Dean List of honor students.

The Dean's List recognizes students for academic achievement.

This Dean's List includes full-time students whose semester grade point average is 3.5 to 4.0. Full-time status for Dean's List calculation is determined by a minimum of 12

credit hours of punitive grades (“A” through “F”). The Dean’s List is prepared each semester/term in the Office of Registration and Records during the final grade processing, which occurs after the close of the semester/term.

This is the list of area students on the Indiana State University list.
