

IDOT Releases Days of Closing Collinsville Road (U.S. 40) Between Illinois 203 and 111

September 24 2019 1:37 PM

EAST ST. LOUIS – The Illinois Department of Transportation announced today the continuation of intermittent daytime and overnight closure of lanes to perform patching work on Collinsville Road (U.S. 40) between Illinois 203 and Illinois 111 in both directions from Monday, Sept. 23 through Monday, Sept. 3, weather permitting.

IDOT said the East St. Louis Maintenance Yard will be making the needed repairs.

"Full access will be restored as soon as possible," IDOT said. "At least one lane will be open in both directions at all times.

"Motorists can expect delays and should allow extra time for trips through this area," IDOT continued. "To avoid the work area, when feasible, use of alternate routes should be considered. Drivers are urged to pay close attention to changed conditions and signs

in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment."
