ALTON - Alton Main Street has a GoFundMe page established to raise money for decoration of Third Street in Alton lamp posts during the holiday season.

"You can play a key role in spreading excitement and cheer this holiday season," Alton Main Street Executive Director Sara McGibany said in a release. "Help Alton Main Street decorate the lamp posts of Third Street with 35-inch wreaths this holiday season. That's 34 wreaths with beautiful red bows."

McGibany continued: "If we all come together, we can make it happen this year. Please make a contribution by December 2nd so we can cover all of the Downtown Third Street in Alton with cheer.

"These beautiful wreaths will be back year after year; your contribution ensures holiday cheer this year and for years to come. We will be purchasing from local companies to build our hometown economy and help Riverbend companies grow. Any excess funds raised will help us continue and expand our efforts in 2020. "
